It's easy to use transportation IC cards (Suica or PASMO).

You can buy "[Welcome Suica](#)" by vending machine at the airport.

You also buy Suica at stations of JR, NewDays or KIOSK(Convenience store).

You can't pay for reserved seats (Shinkansen, Skyliner) at automatic ticket gate by these cards.

So, you should buy only an express ticket (free seat) or reserved seat by ticket machine.

Or please ask at the ticket office (Midori no Madoguchi).

Any way you had better book a ticket for Shinkansen at the ticket office.

[If you want to pay by mobile phone, please check the website \(Mobile Suica\) by yourself.](#)

[If you want to book a chartered bus\(with 45 seats or 27 seats\) between the airport and the hotel, please contact Honbu. The deadline is one month before.](#)

If you can't find the way after booking Air tickets, please contact with Honbu.
